Please note that non-swimmers who attend the party are included in the count. This is because the Pool Manager is required to provide lifeguard staff based on the number of persons who go through the gate and are in the pool area.

Did you plan to bring outside food? If so what would you like to bring?

The \$60 fee and agreement form must be completed at the time the reservation is made. If the party is canceled without two weeks notice the \$60 fee will not be returned. An exception may be made if the party is canceled due to the weather and will be determined by the Pool Manager. However, you must contact the pool **BEFORE** 6:30pm the night of the party for a refund to be considered. If possible weather related cancelations should be rescheduled.
