

City of Oswego
Housing Rehabilitation & Demolition Grant
Pre-application

The City of Oswego is considering applying for grant funds from the State of Kansas which will allow individual homeowners to receive housing rehabilitation to fix health and safety issues. We invite any City resident who thinks they may be interested to complete this form. There is no obligation. If the City is awarded the grant, you will be contacted at that point to complete a full application, which will involve income verification. Please remember, there is no guarantee the City will receive the grant, and we will not know if the City received the grant until January, 2012. In an effort to show the State of Kansas that we have enough qualified applicants, please provide a copy of your 2010 Income Tax Return with the pre-application. You may place it in a sealed envelope addressed to the Southeast Kansas Regional Planning Commission, who is the grant administrator for the project. They will open and review it.

If you have questions about how to complete this form, please contact the Oswego City Clerk's Office at 620-795-4433.
