## Race Location

The registration table and the race will begin at the park bluff at Riverside Park. The course has one steep-grade descent and climb at the middle of the race. Otherwise, the course is flat and fast. The entire course is pavement, well marked and passed by the Neosho River. Although the course is open to traffic, race volunteers will be stationed at the course turns and intersections. All participants should be observant and careful. Water will be furnished before, during and after the race. Fruit and other snacks will be provided for the entrants after the race.

## Awards

Certificates will be awarded for first place male and female in both races. Also, awards will be distributed in the following age groups: 0-14, 15-19, 20-29, 30-39, 40-49, 50-59, and 60+
